Compensation Arrangements

We have briefly set out some information about the Financial Services Compensation Scheme (FSCS) below. If you would like further information about compensation scheme arrangements, details are available at www.fscs.org.uk or call 0800 678 1100.

Most of the products we advise on are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if product providers or we cannot meet our obligations. This depends on the type of business and the circumstances of the claim.

The actual level of compensation you will receive will depend on the basis of your claim. The FSCS only pays compensation for financial loss. Compensation limits are per person per firm, and per claim category (listed below)

(Please note that the FSCS does not cover buy to let mortgages)

Mortgage advising and arranging is covered for 100% of the first £85,000 so the maximum compensation is £85,000 per person per firm.

Protection, non-investment insurance mediation.

Protection is at 100% without limit, where the claim is in relation to a long-term care insurance contract that is a pure protection contract, or the claim is in respect of a liability subject to compulsory insurance:

In all other cases: 90% of claim

Conflicts of Interest

We have a legal and regulatory obligation to take all appropriate steps to identify and to prevent or manage conflicts of interest from arising. In the event of any of our business interests or activities creating a potential conflict of interest we will ensure that we take all appropriate steps to manage the potential conflict by maintaining robust systems, controls and staff training. In the unlikely event that we are unable to prevent the potential conflict, we will fully disclose to you, the general nature and/or sources of conflicts of interest and the steps taken to mitigate those risks.

We will forward to you any documents we receive in relation to business transacted as soon as practicable; where a number of documents relating to a series of transactions is involved, we will normally hold each document until the series is complete and then forward them to you.
